ACCOMMODATION REQUEST FORM

HMNS is committed to creating an accessible and welcoming educational environment for all visitors, including those with disabilities, to providing the resources and programs which allow visitors to experience HMNS in an accessible way, and to enhancing all visitors' delight in natural science and related subjects. In order to accomplish this and provide you with the best experience possible, we ask that guests submit a voluntary accommodation request form at least 14 days in advance of your planned visit. Accommodations cannot always be guaranteed, but we will try our best to fulfill requests to the best of our ability. Please fill out the fillable form below, and an email with your request will be sent to our Accessibility Programs Manager.

If you'd prefer, you can mail a physical request to The Houston Museum of Natural Science, Attn: Accessibility Programs Manager, 5555 Hermann Park Drive Houston, TX 77030. For assistance, please call 713-639-4629.
