

HOUSTON MUSEUM  
*of* NATURAL SCIENCE

**HMNS Sugar Land  
Summer Camp  
Social Story**

I am going to Summer Camp at the Houston Museum of Natural Science at Sugar Land!

When I get dressed for camp, I'll wear comfortable clothes that I don't mind getting dirty, closed toed shoes, and bring a jacket in case the classroom gets cold.

For lunch, I can bring food from home. I can also bring a snack and water bottle in case I get hungry or thirsty during the day.

Every morning of camp, I will park and go inside the Museum, and my guardian will sign me into my camp classroom.

When I walk into the classroom, there might be a warm up activity, like coloring sheets, and I will meet some new adults and friends.

We will have fun learning and playing together!

I will be in camp doing activities from 10am in the morning to 3pm in the afternoon with a break for lunch from 12pm-1pm. I may be signed up for Before Camp or After Camp, which means I get to stay longer at HMNS!

When I'm in camp, I will visit the exhibit halls, play and learn with friends, and participate in activities in the classroom and outside.

When it's lunchtime, we will eat in the classroom together while watching educational movies.

If something happens that upsets me, if I feel sick or sleepy, or if I have a question, I can always talk to the adults in my classroom or in the Education Office, and they will help me.

At the end of the day, my guardian will pick me up from camp! I had a lot of fun learning new things at HMNS at Sugar Land Summer Camp!
